

IB-Series Electrothermal Incubator (Stable Temperature)

Features

- Microprocessor control
- Digital display setting and actual temperature
- Over temperature alarm, PID self-tuning
- Digital display running timer
- Stainless steel interior
- With glass inner door, with hidden door locks
- Electricity leakage protection
- Mechanical overheat protection, cut off the heating sources
- Automatic alarm after operation

Specifications

MODEL	IB-9025A	IB-9052A	IB-9082A	IB-9162A	IB-9272A
Capacity	15L	50L	80L	160L	270L
Working size (mm)	250×250×250	350×350×410	400×400×500	500×500×650	600×600×750
Power	150W	250W	300W	400W	600W
Temp.range	Room temperature +5~65℃				
Temp.resolution	0.1℃				
Temp.fluctuation	±0.5℃				
Timer	0-9999min				
Voltage	110V 60Hz/220V 50Hz				
Dimension (mm)	380x370x580	480x470x740	530x530x840	640x630x1000	730x720x1090
Package (mm)	490x470x640	580x580x800	630x650x980	730x710x1120	880x860x1280
G.W./N.W.	35/21kg	46/35kg	62/47kg	90/64kg	112/86kg
