

YX-280DM Portable Pressure Steam Sterilizer

Characteristics

- Full SUS 304 stainless steel structure
- Accurate double scale indication pressure gauge
- Silicone seal ensuring no steam leakage
- LED digital display temperature and time of sterilization
- Temperature and time of sterilization can be set
- Automatic release when overpressure
- Automatic power off when water shortage

Technical Specifications

Model	YX-280DM (18L)	YX-280DM (24L)	YX-280DM(30L)
Volume	18L	24L	30L
Max Working Temperature	129℃	129℃	129℃
Max Working Pressure	0.165Mpa	0.165Mpa	0.165Mpa
Time Range	0-999min	0-999min	0-999min
Temperature Range	RT-129℃	RT-129℃	RT-129℃
Sterilization Chamber	Φ300*330mm	Φ300*460mm	Φ300*520mm
Power	AC220V/50Hz/2.0K W	AC220V/50Hz/2.0K W	AC220V/50Hz/2.0K W
